ROUND TRIP JOURNEY

A crossing between origins and horizons.
We depart from our memories and Portuguese soul, intertwining techniques, flavours, and inspirations from around the world.
Each dish is a return — to the product, to the season, to identity.
A narrative built on contrasts: land and sea, tradition and discovery, comfort and surprise.

Chef Snacks
World Inspiration

ONE WAY JOURNEY

An introduction to the OMA universe.
Six moments that travel through memories, produce,
and contemporary inspiration.
A seasonal journey, shorter yet intense, where tradition
and the world meet at the table.
